Вышэйшая школа.

High School.

The role of education and teaching could hardly be overestimated in any society. As it should be in line with the society's needs, any social changes are reflected in the education, but these novelties are rather contradictory and need a thorough discussion. "Vysheishaia Shkola" bulletin published by the Ministry of Education of Belarus describes the history and current state of Belarusian system of education: Belarusian language as the language of science, private schools, distant education, validation of national diplomas abroad, sociological reviews, statistical reports, etc.

06/year: Minsk: 1996. Soft. ISSN 2076-4383. 1000 copies. In Belarusian and Russian.

The journal contains scientific, theoretical and practical information from competent sources about taxes, investments, banking, financial market, financial

mechanism, etc. This journal gives full review of the current economic and financial situation in Moldova.

12/year: Kishinev: Bukhgalterii-Servis, In Romanian and Russian.

\$345.00 (Item no. ML77084)

Экономика Приднестровья.

Economy of Transdnistria.

Monthly scientific-practical magazine is devoted to the most pressing issues of the present-day economic situation in Transdnistria (PMR). Special attention is paid to implementing market economic policies, to the problems associated with poorly developed financial system, to changes in accounting and audit procedures. Texts of a number of official documents are included.

12/year: Tiraspol: Ministerstvo ekonomiki PMR, Soft. In Russian.

\$450.00 (Item no. PR00006)

GENERAL

Moldova suverana.

Independent Moldova.

The newspaper is mostly dedicated to political and cultural events in Moldova.

260/year: Kishinev: Konstantin Andreev; Pravitel'stvo RM, In Romanian.

\$850.00 (Item no. ML11047)

Независимая Молдова.

Monitorul oficial al RM.

Official monitoring of the Republic of Moldova.

Standard acts of Parliament, Government and their departments are published in the present newspaper.

104/year: Chisinau: 100 p. In Romanian.

\$675.00 (Item no. MP21128)

Собрание актов законодательства

Приднестровской Молдавской Республики: Официальное издание.

Collection of legislative acts of Transnistrian Moldavian Republic (PMR): Official edition.

The journal is a collection of legislative acts of the Transnistrian Moldavian Republic. The edition is particularly interesting for its representation of developing legal differences between Moldova and self-declared Transnistrian Republic. It embraces the wide range of burning issues in law enforcement practices in Moldova and in its Russian-speaking administrative regions. The journal provides analysis of increasing criminalization of the society, national security, and public order. Much attention is given to discussion of the questions dealing with improvement of Moldavian legislation and legislative control over the economic processes.

52/year: Tiraspol: Ministerstvo Iustitsii PMR, 100-226 pp. Soft. 1000 copies. In Russian.

Родина: Российский исторический иллюстрированный журнал.

Motherland: Russian historical illustrated journal.

The journal is remarkable in many aspects. The articles on history, culture and religious themes are of scholarly and educational character. One can find much interesting and valuable information on the history and culture of medieval Russia. At the same time the style of writing is fascinating and easy to comprehend. Every edition is dedicated to a particular historical period of Medieval Russia thus making the information logically presented. Highly positive feature of the journal is that it is abundantly illustrated with color photographs, pictures, drawings, maps of top quality.

12/year: M.: 1989. 112 p., il. 28.5x21 cm. Soft. ISSN 0235-7089. 20000 copies. In Russian.

Международный сельскохозяйственный журнал.

International agricultural journal.

The scientific trade journal is devoted to the achievements of the world science and practice in the agricultural and

industrial system. The main topics of the present edition are land relations and land management, land reforms and forms of management.

06/year. M.: Nauka, 1957. 64 p. Soft. ISSN 0235-7801. In Russian.

\$155.00 (Item no. MSJ9685)

Под ред. Хаджиева С.Н.

Нефтехимия.

Petroleum chemistry.

The journal offers original papers on and reviews of theoretical and experimental studies concerned with current problems of petroleum chemistry such as chemical composition of crude oils and natural gas liquids; petroleum refining (cracking, hydrocracking, and catalytic reforming); catalysts for petrochemical processes (hydrogenation, isomerization, oxidation, hydroformylation, etc.); activation and catalytic transformation of hydrocarbons and other components of petroleum, natural gas, and other complex organic mixtures; new petrochemicals including lubricants and additives; environmental problems; and information on scientific meetings relevant to these areas.

06/year. M.: Nauka / Interperiodika MAIK, 1961. 80 p. Soft. In Russian.

\$590.00 (Item no. MSJ9694)

Железнодорожный транспорт (с указателями): Реферативный журнал.

Railway transport (with indices): Abstract journal.

Railway transportation process management, locomotive engineering and car-building, railway construction, railway equipment, rolling-stock operating standards in Russia.

12/year. M.: VINITI RAN, 1952. 76 p. 29 cm. Soft. In Russian.

\$1044.00 (Item no. MSJ9699)

Метро и тоннели.

Subway and tunnels.

The journal is on the underground construction in Russia and abroad. It highlights information on the construction of tunnels and underground facilities of various purposes; project solutions; interviews with field experts; modern tunneling machines; micro tunneling and trenchless technologies; special techniques of ground fixing. The large section is devoted to the subway exploiting services.

06/year. M.: Toplivo i energetika, 44 p. Soft. ISSN 1726-6165. In Russian.

\$599.00 (Item no. MSJ9725)

Жилищное строительство.

Housing construction.

The scientific and technical journal publishes materials on new construction and planning solutions, progressive construction materials, heat-saving technologies and designs, civil housing economy, problems of architecture, town

building, agricultural building construction and building ecology. It is intended for builders, architects, engineers, etc.
12/year: M.: Stroimaterialy, 1958. 36 p. Soft. ISSN 0044-4472. In Russian.
\$355.00 (Item no. MSJ9741)

Электротехника.

Electrical engineering.

The journal highlights topical and practical issues on electrical engineering. It publishes materials on new inventions, electrical equipment making methods. It is included in the list of scientific and scientific-technical periodicals publishing the main results of doctoral theses approved by the State Commission for Academic Degrees and Titles.

12/year: M.: Akademiia elektrotekhnicheskikh nauk RF, 1930. Soft. ISSN 0013-5860. 13500 copies. In Russian.

\$509.00 (Item no. MSJ9758)

Хлебопродукты.

Bakery foods.

The monthly publishes academic and practical advice, analytical reviews, foreign countries practice, international exhibitions and symposia information, etc.

12/year: M.: KHleboprodukt, 1927. 72 p. Soft. ISSN 0235-2508. In Russian.

\$552.00 (Item no. MSJ9760)

Под ред. Гусева Б.В.

Химическое и нефтегазовое машиностроение.

Chemical and oil-and-gas engineering.

The journal presents studies, engineering, calculations, chemical and oil-and-gas equipment exploiting; industrial ecology; material science and corrosion protection; safety, testing, repair; standardization and certification. The journal is included in the list of periodicals publishing the main results of doctoral theses approved by the State Commission for Academic Degrees and Titles.

12/year: M.: MGUIE, 1932. Soft. ISSN 0023-1126. In Russian.

\$721.00 (Item no. MSJ9762)

Химические волокна: Полимеры - Волокна - Текстиль - Композиты.

Chemical fibres: Polymers - Fibres - Textiles - Composites.

The journal is intended for a wide circle of scientists, engineers, university teachers and other specialists involved in the production and research work of fibre-forming polymers, fibres, films, textile, and composites. It is also intended for specialists associated with processing branches of textile, clothing, shoe, and machine-building industries, with airplane and automobile construction, civil engineering, agriculture, and with production of paper, medical materials and articles, sport outfit and of some others. Published in special selections and sections of the Journal are the materials of international conferences, and the reports about activities of large scientific and industrial collective bodies.

06/year: Mytishchi: KHimiia, 1959. 72 p. Soft. ISSN 0023-111. In Russian.

\$315.00 (Item no. MSJ9763)

Под ред. Шашковой А.С.

Цветоводство.

Floriculture.

The scientific-trade monthly presents the latest information about methods and techniques of exotic tropical plants growing in the living space. Some plants are described in the Russian literature for the first time.

06/year: M.: Kolos, 1958. 64 p. Soft. ISSN 0041-4905. 35000 copies. In Russian.

\$149.00 (Item no. MSJ9765)

Тяжелое машиностроение.

Heavy machinery.

Monthly research and trade journal highlights power, metallurgical, mining, transport engineering and allied industries. Its basic sections are researches and engineering, production methods and materials, safety and propagation of service life of machines device and equipment, scientific-technological and industrial research materials.

12/year: M.: Tiazheloe mashinostroenie, 1955. Soft. ISSN 0131-1336. In Russian.

\$1044.00 (Item no. MSJ9766)

Под ред. Гавур В.Е.

Нефтепромысловое дело. Oilfield engineering.

The journal presents articles on the latest achievements in the improvement of the oil and gas-and-oil field development systems, equipment and technologies of oil and oil gas overland and offshore production, etc. It is included in the Russian Citation Index system.

12/year: VNIOENG, 1993. 100 p. Soft. ISSN 0207-2351. In Russian.

\$528.00 (Item no. MSJ9794)

Под ред. Баркова М.В.

Трубопроводный транспорт нефти.**Oil pipeline transportation.**

The journal presents information about the realization of the most important investment projects, production, financial-economic, research-technical, ecological and social policies performed by the "Transneft" company leadership. It informs about the oil pipeline industry history, enhances the professional level and outlook of oil pipeline transportation specialists.

12/year: M.: TransPress, 1993. ISSN 0869-8740. In Russian.

\$650.00 (Item no. MSJ9795)

Монтажные и специальные работы в строительстве.**Installation and special construction works.**

The journal informs about the main tendencies of installation and special construction works, construction technologies, light metal designs development and implementation, cost-effective use of power and resources, new official documents in construction, inventions, patent documents, bidding, etc.

12/year: M.: Montazhspetsstroj, 1939. Soft. ISSN 0027-0040. In Russian.

\$432.00 (Item no. MSJ9796)

Молочное и мясное скотоводство.**Dairy and beef cattle breeding.**

The scientific and trade journal highlights milk and beef production and processing.

08/year: M.: Agropromizdat, 1956. 44 p. Soft. ISSN 0026-9034. In Russian.

\$259.00 (Item no. MSJ9797)

Под ред. Мешкова В.М.

Механизация строительства.**Construction work mechanization.**

The journal publishes materials on machinery maintenance and repair, cost-effective use of power,

leasing, environment protection, official documents. It is approved by the State Commission for Academic Degrees and Titles.

12/year: M.: *Lad'ia*, 1939. 32 p. Soft. ISSN 0025-8903. In Russian.
\$456.00 (Item no. MSJ9798)

Мелиорация и водное хозяйство.

Melioration and water industry.

The theoretic and scientific practical journal is intended for experts, scientists and producers in such fields of water industry and agriculture as engineering, construction and exploiting of water and water conservation systems, agricultural water supply, conservation and usage of water and land resources.

06/year: M.: *Melioratsiia i vodnoe khoziaistvo*, 1949. 80 p. Soft. ISSN 0235-2524. In Russian.

\$209.00 (Item no. MSJ9800)

Мензуллов М.А. (ed.).

Машиностроитель.

Mechanical engineer.

The journal publishes information-technical materials about the implementation of new technologies and inventions, production organization and social aspects.

12/year: M.: *Mashinostroenie*, 1931. 64 p. Soft. ISSN 0025-4568. In Russian.

\$1332.00 (Item no. MSJ9803)

Лакокрасочные материалы и их применение.

Paint-and-lacquer materials and their application.

The scientific-technical edition highlights paint-and-lacquer materials production. The journal is approved by the State Commission for Academic Degrees and Titles. It includes economic and marketing information about the market of paint-and-lacquer materials, raw materials and equipment for their production.

12/year: M.: *Peint-Media*, 1960. 56 p. Soft. ISSN 0130-9013. In Russian.

\$209.00 (Item no. MSJ9804)

Кузнечно-штамповочное производство.

Обработка материалов.

Press-forging. Material treatment.

It is the only Russian and CIS countries' inter-industry scientific-technical and trade journal. The main sections are the following: theory, calculations, studies of hot and cold working techniques; tools and production accessories; equipment; engineering process modeling; CAD; computer program control; etc.

12/year: M.: *Mashinostroenie*, 1959. ISSN 0201-7296. In Russian.
