IN THE SPOTLIGHT

Digital Dissertation Library

Being the official agent of the Russian State Library, MIPP International offers a legal way to access the most comprehensive electronic collection of dissertations having been defended in Russia since 1944.

Digital Dissertations Library contains about 650 000 full text dissertations and abstracts in various fields, including philology,

philosophy, economics, law, physics and mathematics, chemical, biological, technical sciences, architecture, art, medicine, pharmacy and others.

The catalogue of the Digital Dissertations Library is available at <http://diss.rsl.ru/?menu=disscatalog>.

About 1400 abstracts and 1300 dissertations are freely available for every user.

[The example how to search among opened materials](#).

To obtain full access to all dissertations libraries join Virtual Reading Rooms of the RSL which are created in the libraries in all parts of the world. The cost of annual contract is \$5300. There is also possibility to conclude a contract for half a year at \$2650. The price includes 10 installations of DefView system (program for safe document viewing).

IMPORTANT NOTE: *Because of the restrictions in the Russian copyright law neither RSL nor its official agents can allow users buy individual copies of dissertations.*
