CHANGES AND DEVELOPMENTS

Launch Of A New Product "My Integrum"

We are pleased to introduce you to the new product "My Integrum" that was launched in September 2011 after five years of scrupulous development.

"My Integrum" is a service that enables users to receive comprehensive current information on any topic of their interest - any events going on in the political, economic, social and cultural life of Russia, the former USSR countries and all over the world.

Brand new analytical instruments included in the service and developed on request of scholars all around the world facilitate conducting mass media monitoring of Russia and CIS countries. For clients' convenience Integrum specialists make all the necessary settings for them to get information relevant to their sphere of interests. The news feeds are updated every hour. In addition to the on-line feeds, the latest publications of customer interest can be e-mailed every hour or day on request.

Besides regularly updating news feeds and information search "My Integrum" provides ready-made analytical reports by means of the instrument "Monitoring" which allows tracing the dynamics of publications in mass media by regions, time span, circulation, readership and other criteria, viewing the proportion of positive and negative publications in form of diagrams and tables.

To get more detailed information on this service please download "My Integrum" [presentation](#).

If you wish to discuss anything raised in this e-Bulletin, or have any questions or other feedback, please don't hesitate to email us at eresources@mippbooks.com. In case you do not want to receive this e-Bulletin, please send us a message with the word "REMOVE" in the Subject line.
