IN THE SPOTLIGHT

BiblioRossica. Leading Russian Scholarly Presses, 2009 2012

MIPP International is glad to inform you about a new ebook delivery platform BiblioRossica from Academic Studies Press.

BiblioRossica is a specialized platform for academics and scholars offering expertly selected collections devoted to the most relevant areas and topics of modern humanities. The thematic collections include both classic works and the latest studies, in both Russian and English, and members can expect regular additions of new titles to the collections.

Available now is the first of ebook collections, [Leading Russian Scholarly Presses, 2009 2012](#). At the moment, this collection incorporates over nine hundred of the most important 2009-2011 publications from the top Russian presses as well as a carefully chosen selection of popular and pertinent titles from each press's backlist. As new titles are published in print in 2012, they will concurrently be added to BiblioRossica. Now new titles are made available immediately after their releases, and the most significant publications from recent years are easily accessible.

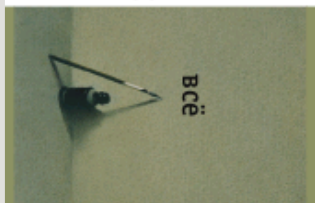

Vsio | All.
Vvedenskii A.V.

M.: OGI, 2010

Central and Eastern Europe: Lessons from Global Crisis
Kulikova N.V.

St. Petersburg: Aletheia, 2011
ISBN 978-5-91419-546-2
In Russian

Given book deals with the channels of global crisis impact on Central and Eastern Europe and the damage caused by it. Besides, it includes investigation of features, limitations and effectiveness of national anti-crisis policies, consideration of international support for efforts of the Central and East European countries to overcome the consequences of crisis, forecasts of recovery and development of their economies. The book is recommended to a wide range of readers: economists, historians, sociologists, political scientists, lecturers, students, entrepreneurs.

[eBook Preview](#)

This new and exciting website's features include:

- Permanent, long-term accessibility; no expiration date for usage of the purchased collection
- Content licensed by agreements with publishers
- A search engine which allows the user to find something as large as a related group of titles and as small as a single phrase in a single book, using functions that will search for titles, authors, publishers, keywords, or thematic categories, as well as full-text search
- A new and improved online viewer that allows the reader to increase font and page size without sacrificing quality of typeface. An ebook-PDF format that allows the user to bookmark, review, and take notes on the content
- Multi-user IP access to the collection for corporate subscribers
- Capacity for a user to view, copy, download (up to 15%), and print from the ebooks in use. The structures of the ebooks are identical to those of the printed versions, for convenience in bibliographic referencing

This collection is priced for a limited time at \$3900. A free one-month trial is available for all interested parties.

For further information on trial access or any additional questions regarding purchasing or product information, please contact eresources@mippbooks.com.

CHANGES AND DEVELOPMENTS

New eBooks Added to University Library Online Platform

A large collection of study books from publishing house "Vostochnaia kniga" (Eastern Book) is presented at [University Library Online](#) platform. Publishing house "Vostochnaia kniga" specializes in educational literature for those who teach and study foreign languages. It has produced more than 1200 titles on 50 world's languages, including such rare as Dari, Burmese, Fula, Afrikaans. The books are written by the internationally-recognized scholars and the most qualified authors of Russian higher school holding key positions in their areas of expertise.

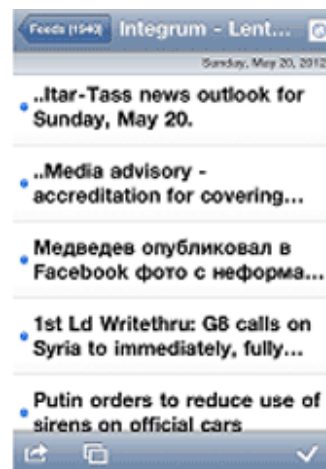

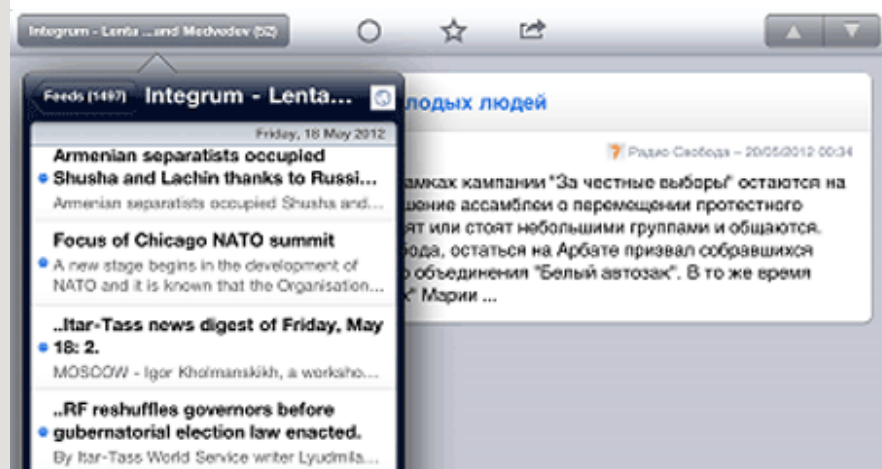

Take a look at the [full list](#) of ebooks.

RSS Feeds in My Integrum

Usage of the new Integrum service [My Integrum](#) has become more convenient. Now it's possible to track documents relevant to the subscriber's personal Themes and Objects with the help of RSS feeds and read all the documents in one place as soon as they are published using computers, iphones, ipads and android devices without visiting Integrum website.

RSS Feeds contain brief description of the latest news, appeared in Integrum and link to the full text of the articles.

To make use of this new feature click on [the RSS icon](#), subscribe to the RSS feeds with [Google Reader](#) and receive updated summaries of relevant publications.

If you wish to discuss anything raised in this e-Bulletin, or have any questions or other feedback, please don't hesitate to email us at eresources@mippbooks.com. In case you do not want to receive this e-Bulletin, please send us a message with the word "REMOVE" in the Subject line.
