## IN THE SPOTLIGHT

## New Russian Delivery Platform “LAN”

MIPP International is glad to inform you about a new ebook delivery platform “LAN”.

This delivery platform includes electronic versions of academic and educational literature of the leading Russian publishers. The thematic collections include works in the field of Philosophy, Psychology, Pedagogy, Law, Economics and Management, Mathematics, Physics, Engineering Sciences, Computer Science, Veterinary medicine, Agriculture and Forestry and many others. Among the publishers that cooperate with “LAN” are “Mashinostroenie” (Machine building), “Iurait”, “Finances and Statistics”, “MISiS”, “Fizmatlit”, “Flinta” “Dashkov i K”, “DMK-Press” and others. The access is offered to separate publishing collections by fields of knowledge.

The range of ebooks at the delivery platform is constantly expanding. Users have all the necessary system functions at their disposal: they are able to print, cite, make up summaries and create virtual book shelves.

A free two-week trial is available for interested parties.

Please contact [eresources@mippbooks.com](mailto:eresources@mippbooks.com). in case you have any questions or would like to order a free trial.

## CHANGES AND DEVELOPMENTS

### New Fascinating Features of BiblioRossica

MIPP International would like to draw your attention to the recent updates at the delivery platform [BiblioRossika](#) from Academic Studies Press. Usage of the database is now more convenient due to the following improvements:

- IP authorized and individual users are able to print 15% of book per one transaction. There is a new button to run printing action and dialog window to define set of pages to print
- Search engine is improved: word formation is taken into account in the search query and date of publishing is added as search criteria
- Custom setting for catalog has been added to filter books by languages
- Statistics pages have been improved for libraries. Detailed reports as Excel file are available under the link "Download this report"
- Each user in the library can have his/her personal reader account. The login information is sent to user email address and the user will have access to all content with the possibilities of searching, reading and printing

A free one-month trial is available to the ebook collection at BiblioRossica for all interested parties.

For further information on trial access or any additional questions regarding purchasing or product information, please contact [eresources@mippbooks.com](mailto:eresources@mippbooks.com).
