IN THE SPOTLIGHT

5 Subject Collections of BiblioRossica

Currently [BiblioRossica](#) proposes to its users 5 subject collections which are Scientific Literature, Study Materials, Fiction (in Russian) and Contemporary Jewish Studies, Contemporary Russian Studies (in English). These collections are made up of over 2500 titles devoted to the most relevant areas of modern humanities.

[BiblioRossica](#) has the potential to provide scholars and students alike with a great tool for personal and professional development. These exciting website's features include:

- Permanent, long-term accessibility; no expiration date for usage of the purchased collection; all updates during the period of the contract are without additional fee; updates after the contract expiration are optional and can be purchased at some additional fee;
- A search engine which allows the user to find something as large as a related group of titles and as small as a single phrase in a single book, using functions that will search for titles, authors, publishers, keywords, or thematic categories, as well as full-text search;
- New and improved online viewer that allows readers to enlarge fonts and page size without sacrificing quality of typeface. An ebook-PDF format that allows the user to bookmark, review, and take notes on the content;
- Multi-user IP access to the collection for corporate subscribers;
- Technical solutions which help to integrate electronic platform in library catalogs and educational programs;
- Capacity for a user to view, copy, download (up to 15%), and print from the ebooks in use. The structures of the ebooks are identical to those of the printed versions, for convenience in bibliographic referencing.

Contract can be concluded for 6 months, year and two years:

Six Months: \$2000

One Year: \$3900

Two Years: \$7000

Institutions may also request a free trial access to [BiblioRossica](#) for a period up to two months.
