## CHANGES AND DEVELOPMENTS

### Metadata Content from MYBRARY in EBSCO Discovery Service™

**EBSCO Publishing** (EBSCO) and **MYBRARY** in Russia have developed a new partnership allowing content from MYBRARY to be searched within **EBSCO Discovery Service™** (EDS). The agreement will add e-book metadata from the MYBRARY collection into the Base Index of EDS.

MYBRARY is an online library of business books on law, economics and business, for corporate and individual users. Currently the library contains around 2,000 titles from more than 20 Russian publishers, including academic and educational literature and popular business ebooks.

The EDS Base Index represents content from approximately 20,000 providers (and growing), which accounts for more than 350,000 publications from the world's top publishers and information providers. EBSCO Publishing is the producer of EBSCOhost®, the world's premier for-free online research service, including full-text databases, subject indexes, point-of-care medical reference, historical digital archives, and e-books.

If you wish to discuss anything raised in this e-Bulletin, or have any questions or other feedback, please don't hesitate to email us at [eresources@mippbooks.com](mailto:eresources@mippbooks.com). In case you do not want to receive this e-Bulletin, please send us a message with the word "REMOVE" in the Subject line.
