## NEWS AND ANNOUNCEMENTS

### New Partners of University Library Online

Since September 2014, Russian platform [University Library Online](#) of Direkt-Media company has been expanded with 4 large publishers' collections of the leading Russian ebook databases. They are "Knorus" and "Prospekt" of the platform Book.ru and "BKHV-Peterburg" and "Piter" of Ibook.ru. Their specializations are study books on [law](#), [economics](#), [finance](#), [philosophy](#), [history](#), [social studies](#), [mathematics](#), [physics](#), [computer technologies](#), [medicine plus fiction](#).

Now the clients will have the opportunity to gain access to the content and services of both resources from one platform and enjoy significant funds savings at the same time.

*[University Library Online](#) is one of biggest internet libraries in Russia, containing more than 100 000 e-books on Literature, History, Philosophy, Social Sciences, Culture, Arts, and Religion. The database comprises Russian classics, study books, encyclopedias, old and modern books, maps, illustrations, dictionaries and much more.*

## IN THE SPOTLIGHT

### Russian Academic Journals eLIBRARY in Russian Science Citation Index at Web of Science Platform

Intellectual Property & Science, IP & Science of Thomson Reuters concluded cooperation agreement with Scientific Electronic Library eLIBRARY.RU. The aim of the cooperation is to provide access to the materials of [Russian Science Citation Index](#) (project of eLIBRARY) at [Web of Science™](#) platform, which is the leading world search platform for natural, social sciences and humanities.

This joint project facilitates the access to information on the prominent scientific researches in the Russian Federation. Russian Science Citation Index (1000 best Russian academic journals) will be available as a new database and will be integrated with indexes of the leading journals at Web of Science platform and with other databases, for instance [Data Citation Index](#) and [Book Citation Index](#), enabling scientists to look through and analyze regional publications together with the crucial international academic literature.

Russian Science Citation Index will be integrated in Web of Science the same way as the other national science citation index databases: [KCI Korean Journal Database](#) , [SciELO Citation Index](#) as of 2014 and [Chinese Science Citation Database](#) as of 2008. Russian Science Citation Index will be available for Web of Science users in 2015. To check the news release please follow the [link](#).

*Scientific electronic library* is the leading Russian company in providing academic information, analytical data and services. [eLIBRARY.RU](#) is the biggest Russian aggregator of academic information, allowing universities, innovation companies, research institutions getting access to online library of academic articles and books, citation indexes and search tools.

*Thomson Reuters* is the world leader in providing analytical information for business and professionals. The company unites industry knowledge and innovation technologies to present the data to the leading professionals in the sphere of finances, law, taxation, accounting, science, mass media, etc.
