NEWS AND ANNOUNCEMENTS

Metadata Content from Russian Science Citation Index in EBSCO Discovery Service™

[EBSCO Publishing](#) (EBSCO, USA) and [Scientific Electronic Library](#) (Russia) have developed a new partnership allowing content from Russian Science Citation Index to be searched within [EBSCO Discovery Service™](#) (EDS). The agreement will add metadata from RSCI collection into the Base Index of EDS, enabling researchers from all over the world to search through RSCI with EDS tools.

Scientific Electronic Library is the leading Russian company, which supplies academic information and analytical services to universities, research centers, think tanks. The major project, ELIBRARY.RU platform, is the greatest Russian resource for scientific information distribution. The platform unites online library of academic articles and books (more than 4500 journals) with citation indexes and information search.

The EDS Base Index represents content from approximately 20,000 providers (and growing), which accounts for more than 350,000 publications from the world's top publishers and information providers. The list of partners includes the leading book and journal publishers such as Elsevier, Wiley Blackwell, Springer Science & Business Media, Taylor & Francis, Sage Publications as well as content-providers LexisNexis, Thomson Reuters, JSTOR, ARTstor, Credo Reference, World Book, ABC-CLIO. EBSCO Publishing is the producer of EBSCOhost®, the world's premier for-free online research service, including full-text databases, subject indexes, point-of-care medical reference, historical digital archives, and e-books.
