## NEWS AND ANNOUNCEMENTS

### Legislation of CIS countries – New Subscription Prices

MIPP International introduces new prices on subscription to the database [Legislation of the CIS Countries](#), which is a specialized law database containing legislation of 11 post-Soviet countries: Azerbaijan, Armenia, Belarus, Kazakhstan, Kyrgyzstan, Moldova, Russia, Tajikistan, Turkmenistan, Uzbekistan, Ukraine and a section International Relations. The documents are in Russian with English translation.

### Institutional Subscription

- The license allowing unlimited number of simultaneous users with limited number of full-text documents from all countries in the database.  
The price starts from €250 per year.
- The license for unlimited number of documents. The cost depends on the number of simultaneous users.  
The price starts from €750 per year. Each additional user adds 10% to the cost.
- The license for unlimited number of documents from selected country limited by the number of simultaneous users.  
Cost for one simultaneous user license for one country at your choice starts from €600 per year. Each additional user adds 10% to the cost. Each additional country adds €120 to the cost.

### Individual Subscription

Legislation of the CIS Countries is also available for researchers and scientists on individual subscription basis. Personal subscription options include downloads of 5, 10, 20, 50 or 100 full-text documents for a period of 1 month to 12 years starting from €12 a month.

# IN THE SPOTLIGHT

## Art Catalogue of University Library Online

Neksmedia company, owner of [University Library Online](#) platform, launches a new electronic project Art Catalogue which is a development of [World Art Portal](#).

A new art album freely available for all subscribers will be published in the Catalogue weekly. It will contain a collection of hundreds of illustrations upon a certain topic with comments and multimedia materials. The theme of such publications is diverse: art of world countries, eras, genres, trends and personalities. At the moment around 50 different projects are being planned among which:

- *Work of ancient man*
- *Civilizations of the Ancient East*
- *Art of Ancient Egypt*
- *Ancient World*
- *Byzantine Art*
- *Old Russian Culture*
- *Art of China*
- *Art of Japan*
- *Australia and Oceania*
- *Art of North America*
- *Renaissance*
- *Gothic Style*
- *Romanticism* and many others.

The Art Catalogue is interactive and multimedia-oriented. All illustrations are depicted as part of several sections, each of which has an interactive timebase, which allows not only viewing images and descriptions, but also seeing the time of work creation, relating it with the time of other works introduction.

The example of an interactive selection is [Image of Jesus Christ](#) in the world art.
